

CS

Course Policy & Classroom Expectations / 课堂规则与行为规范

Course: Computer Science (CS)

Room: 317

Teacher: Mr. Cooper

Schedule: 1 class per week (40 minutes) | Approximately 40 sessions per academic year

Dear Parents and Students,

Welcome to Grade 7 Introduction to Computer Science (CS)!

This year, students will explore foundational digital skills and dive into 3D modeling using **Blender**; an industry-standard 3D creation suite. Students will learn the essentials of digital design, spatial thinking, and creative problem-solving through hands-on projects.

Important Note on Course Schedule:

Our class meets **once a week for 40 minutes**, resulting in approximately **40 class sessions across the entire academic year**. Because of our limited class time, and because occasional classes may be cancelled due to school events, public holidays, assemblies, or exam schedules, every minute in the computer lab is valuable. Students are expected to arrive on time, stay focused, and manage their project files responsibly.

We look forward to an exciting year of digital creation and building valuable digital skills together. Please review our class guidelines below.

亲爱的家长与同学们：

欢迎来到 7 年级计算机科学导论（CS）课堂！

在这一学年里，学生们将学习计算机基础技能，并使用行业标准的 3D 创作软件，**Blender** 开展三维建模学习。通过实践项目，学生们将培养数字化设计思维、空间想象力以及解决问题的综合能力。

课程安排重要说明：

本课程为**每周 1 节课（每节 40 分钟）**，全学年累计约 **40 节课**。由于课时非常有限，且部分课次可能会因学校大型活动、公共假期、全校集会或考试安排而调整/取消，因此课堂上的每一分钟都至关重要。请同学们务必按时到岗、保持专注，并妥善管理好自己的设计工程文件。

我们期待与大家共同度过充实、富有创造力的一年。请家长与同学仔细阅读以下课堂规则与指南：

1. Behavior & Lab Expectations / 课堂与机房规范

1. **Punctuality & Quick Start:** With only 40 minutes per week, please arrive promptly, log in immediately, and open your project files so we can maximize instruction time.
2. **Equipment Care:** Treat all computer hardware, keyboards, mice, and headphones with care and respect.
3. **No Food or Open Liquids:** Food and sugary drinks are strictly forbidden near computers. Only closed water bottles placed away from electronic equipment are permitted.
4. **Bring Materials:** Bring your dedicated **CS notebook, folder** and a **pencil case** with **pens/pencils** to every class.
5. **On-Task Device Use:** Computers and Blender are strictly for designated class projects. Gaming, social browsing, or off-task activities will result in loss of device privileges.
6. **Raise Your Hand:** If you encounter a software issue or have a question, please raise your

hand. You are also welcome to see Mr. Cooper briefly after class.

课堂与机房规范

1. **守时与快速进入状态：** 每周仅有 40 分钟课时，请务必准时进班、快速开机登录并打开项目文件，充分利用每一分钟。
2. **爱护设备：** 悉心爱护机房电脑、键盘、鼠标及耳机等所有硬件设施。
3. **禁止饮食与外带饮料：** 电脑旁严禁吃零食或饮用含糖饮料。仅允许携带封闭式水杯，并置于远离电子设备的安全区域。
4. **带齐用具：** 每堂课请携带专用的 **CS（计算机科学）笔记本/文件夹** 和笔袋。
5. **专注课堂任务：** 电脑及 **Blender** 软件仅用于完成既定教学任务，严禁玩游戏或浏览与课堂无关的网页。
6. **举手提问：** 遇到软件操作问题或疑问时请先举手示意，课后也欢迎找 **Cooper** 老师简短沟通。

2. Homework & Project Guidelines / 作业与项目指南

1. **Submission Deadlines:** Homework and project checkpoints must be submitted on time before **Monday at 8:30 AM**. An eDevice is **NOT** necessary for student homework completion, students can request and complete a paper version of the homework. All homework is available and can be completed online.
2. **Submission Methods:** Projects and milestones (such as .blend project files, 3D screenshots/renders, or design worksheets) will be submitted via **ManageBac (MB)**.
3. **Pacing & Catch-Up Work:** Because class time is limited (40 mins/week), students who do not finish their required milestones during class due to distraction are expected to catch up in their own time.
4. **Cancelled Classes & Absences:** If a class is missed due to illness or cancelled due to a school event/exam, students should check ManageBac for project updates and materials to keep their projects on track.
5. **Assignment Location:** All project rubrics, shortcut cheat sheets, and guidelines are available on **ManageBac (MB)** and written on the **Room 408** whiteboard.
6. **Late Work:** Unexcused missing work will be marked as a temporary zero on ManageBac until completed, and parents will be notified.
7. **Academic Integrity:** All 3D models and written assignments must be created by the student. Using downloaded pre-made 3D assets or copying another student's file will result in a zero.

作业与项目指南

1. **截止时间：** 每周作业及阶段性项目须在 **周一上午 8:30 前** 按时提交。
2. **提交方式：** 项目作品（包括 .blend 工程文件、3D 渲染截图或设计草图）统一通过 **ManageBac (MB)** 提交。
3. **进度把控与自主补齐：** 鉴于每周仅 40 分钟，若因课上走神导致未完成既定任务节点，学生需利用课外时间自行补齐进度。
4. **停课与缺勤补救：** 若因请假缺勤或遇学校活动/考试导致停课，学生应主动登录 **ManageBac** 查看项目指引，保持项目进度不掉队。
5. **查看任务：** 所有评分标准、软件快捷键速查表及说明均在 **ManageBac (MB)** 发布，并在 317 教室白板上同步标注。
6. **逾期作业：** 无故缺交的作业将在 **ManageBac** 上暂记 0 分直至补交，逾期情况将通知家长。
7. **学术诚信：** 所有 3D 模型和书面作业必须由学生本人独立完成。严禁下载现成网络模型冒充原创或抄袭同伴文件，违者以零分计。

3. Note-Taking & Organization / 笔记与文件管理

1. **Dedicated Folder/Notebook:** Keep a dedicated CS folder or binder. Do not mix CS notes with other subjects.
2. **Blender Reference Sheets:** Keep all Blender shortcuts, interface guides, and step-by-step notes organized for quick reference during modeling.
3. **Teacher Verification Stamps:** Accurate and complete notes/sketches will receive a teacher stamp for formative feedback.
4. **File Naming & Backups:** Students will be taught to properly name and save their digital 3D files (e.g., Project1_Name_V1.1.blend) so work is never lost.
5. **Regular Parent Review:** Parents are encouraged to periodically review their child's notes, 3D render images, and ManageBac progress.

笔记与文件管理

1. **专用文件夹/笔记本:** 请准备专用的 CS 笔记本或文件夹, 请勿与其他学科混放, 以便高效查阅。
2. **保存快捷键与参考资料:** 妥善整理 Blender 常用快捷键速查表、界面标注和操作要点, 便于建模时随时参考。
3. **教师盖章反馈:** 记录完整、准确的课堂笔记与草图将获得老师盖章, 作为过程性表现评价。
4. **文件命名与存储:** 养成规范命名并备份工程文件的良好习惯 (如: 项目 1_姓名_V1.blend), 防止文件丢失。
5. **家长定期查阅:** 建议家长定期查看孩子的课堂笔记、3D 渲染成果以及 ManageBac 上的成绩进度。

After reading all the information, students and parents please scan the QR code to view the online version of the homework.
